Company Profile 公司简介

Polytech Electronics Technology (Dong Guan) Co., Ltd was established in Mid of 2004..
Our total capital investment: USD 6.7 Million.
Our manufacturing location is in China.
Qing Xi Town, Dong Guan City, Guang Dong Province.
Factory Area: 25,000 Square Meters.
2005 - Obtained ISO 9001:2000.
2007 - Obtained ISO 14001:2004, Rohs compliance
2008 - Obtained TS 16949
詮立电子科技(东莞)有限公司成立于2004年6月
总投资: 美金670万
公司地址: 广东省东莞市清溪镇金屋工业区
公司占地面积: 25,000平方米
2005年取得ISO 9001:2000
2007年取得ISO 14001:2004, Rohs通过
2008年取得TS 16949认证

We are a leading global production and supply of silicone rubber products, communication key products, plastic products, and assembly suppliers.
The main supply of electronic communication Keypads, Automotive keypads, medical instrument keypads and various silicon/rubber products all over the world with the high commitment of product quality.
我们是领导全球生产供应硅橡胶制品, 通讯按键产品, 塑胶产品, 及组装的供应商。
主要供应电子通讯类按键, 汽车按键, 医疗仪器按键及各种硅/橡胶制品到全球各地, 并以高品质高标准承诺产品品质。

Vision 公司愿景

To be a dominant player providing rubber integrated solutions through commitment in our customers, our people and our environment.
承诺顾客, 商业守信, 福利社会, 成为硅橡胶制造业的领航者。

Mission 公司理念

Involvement with our customers and evolution as a company.
Involvement thru collaboration in all business processes.
Evolution thru customer focus, world class practices.
Leading technology, continuous improvement and teamwork.
以客户为中心, 全方位的商业合作, 一流的服务和技术, 持续改进, 团队协作, 共同发展。
